First time on the market! This three bedroom, three bath home was built in 2018 on a 10,244 sq ft lot located in Chemainus. The main floor offers two bedrooms, open concept living with lots of windows and French doors onto an oversized deck. Great for entertaining! Downstairs is the one bedroom in-law suite with its own entrance. The home has solar panels to take advantage of the Southern Exposure. Excess electricity is fed back into BC Hydro's power grid to help offset your electrical cost! Situated in a private setting this home is a must see! Make your appointment to view today!
